

Personal Voice Mail

Quick Reference Guide

PERSONAL VOICEMAIL (VOICE PORTAL)

Access Voice Portal

You can access your personal voice portal using your own phone or another phone.

To log in, dial one of the following:

- Dial the voice portal number from your own phone. This will authenticate for you automatically
- Dial your own extension from your phone.
- Press the voicemail button (soft key or physical button) on your phone
- From any phone call the voice portal number provided and your password. For security reasons this password is 6-12 characters long and can only be set from your own phone.

Logging in for the first time and setting a password.

Dial your phone number/extension or the voice portal number/extension, and then:

1. If requested, enter your phone number.
2. Enter a new passcode at the prompt.
3. Re-enter your passcode at the prompt.
4. Record your name at the prompt.
5. Press #.

Password Security Note:

Passwords need to:

- Between six and twelve characters
- Cannot be your extension or phone number
- Cannot be you extension or phone number reversed
- Cannot contain more than 2 repeated numbers
- Cannot be more that 3 sequential numbers ascending or descending

- Cannot be any of the last 3 passwords
- Cannot be an old password reversed
- Expires after 120 days
- Voice Portal is disabled after 3 failed login attempts

As default Access4 sets a long random password to prevent unauthorised external access. The most secure practice is to use only your phone, the voicemail to email, or UC-One to collect you voicemails.

Log In

From your phone or UC-One.

Dial your phone number/extension, press the voice portal key, or press and hold one

(UC-One Mobile)

From your own phone and you will be logged in automatically. To access any features other than retrieving voicemails you will need your password.

To access these other settings such as recording a greeting press * to reach the Voice Portal Main Menu.

From a phone other than your own:

1. Press * during your outgoing greeting to reach the login prompt.
2. Enter the correct passcode to reach the Voice Messaging menu.
3. At the Voice Messaging menu, press * to reach the Voice Portal Main Menu.

From a phone in your group other than your own:

1. Press * during the greeting to reach the voice portal login prompt.
2. Enter your phone number/extension.†
3. Enter the correct passcode to reach the Voice Portal Main Menu.
